HOME REPAIR TIP!

TIP: Drain off a dishpan full of water from hot water tank clean-out valve (at bottom of tank) in order to control sediment and maintain efficiency.

SHIPPING YOUR PRODUCT

Our goal is to exceed your expectations and shipping your product is just one of our specialties. We'll make all the necessary arrangements to ship your product via air, barge, rail or winter road. Leave the worry to us. Contact us for details.

SOURCE & SUPPLY!

You need it, we'll get it! Products ranging from furniture, appliances, outdoor living products, name brand tools, electronics . . . the list is endless. Contact us for details.

Accepted forms of payment and financing O.A.C. Advertised prices do not include freight.

HOME REPAIR TIP!

TIP: Your roof is particularly vulnerable to the rigors of Canadian winters. Now that the snow's gone, do a visual inspection to detect any problems.
